## ACCOUNTANT'S REVIEW REPORT

To the Members of the  
Loranger Volunteer Fire Department, Inc.  
Loranger, Louisiana

I have reviewed the accompanying statement of financial position arising from appropriations and certain other transactions of Loranger Volunteer Fire Department, Inc. (a nonprofit corporation) as of December 31, 2008, and the related statements of activities and changes in net assets and cash flows arising from appropriations and certain other transactions for the year then ended, in accordance with the Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The financial statements have been prepared on a basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. All information in these financial statements is the representation of management of the Loranger Volunteer Fire Department, Inc. (a nonprofit corporation).

A review consists principally of inquiries of Organization personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with the basis of accounting referred to in the first paragraph.

Management has elected to only include those disclosures which pertain to appropriations and certain other transactions.

## LORANGER VOLUNTEER FIRE DEPARTMENT, INC.

### Notes to Financial Statements limited to Appropriations and Certain Other Transactions December 31, 2008

#### BACKGROUND INFORMATION

The Loranger Volunteer Fire Department, Inc. (Loranger Fire) was incorporated on May 22, 1998, as an association of volunteer firemen serving the Loranger, Louisiana, geographical area. The Loranger Volunteer Fire Department, Inc. is exempt from federal income tax under Section 501 (c) (4) of the Internal Revenue Code. The Loranger Volunteer Fire Department, Inc. is funded, for the most part, by an annual appropriation from the Tangipahoa Parish Rural Fire Protection District No. 2 (Rural Fire Protection District No. 2).

The Rural Fire Protection District No. 2 contracts with the Loranger Fire and nine other fire departments to carry-out its mission of providing fire protection for the entire parish of Tangipahoa, excluding the incorporated municipalities and entire Third Ward in said parish.

Rural Fire Protection District No. 2 receives ad valorem taxes, state revenue sharing, and two percent fire insurance rebated monies and appropriates these monies, along with interest earnings, to the ten individual fire departments in accordance with an annual agreement. The primary responsibility of each fire department is the prevention and termination of fires which pose a threat to life or property within its areas of responsibility. The secondary responsibility is to respond to any and all calls for assistance from any of the other fire departments in Rural Fire Protection District No. 2.

The annual agreement provides, in part, that the appropriation of revenue from Rural Fire Protection District No. 2 be based upon the square miles served by the individual fire departments, the population within the area served, and the number of fire calls received in a given period. The agreement also requires that the individual fire departments expend the appropriations solely for the purpose of operating, maintaining, and/or purchasing equipment and supplies for their fire department, and for approved salaries. The agreement additionally requires the individual fire departments to render quarterly statements of funds received and expended to Rural Fire Protection District No. 2.

#### SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying financial statements present only the financial activities of Loranger Fire arising from appropriations received from Rural Fire Protection District No. 2, and certain other revenues. The financial statements are not intended to and do not present the financial position and results of operations in conformity with generally accepted accounting principles.

##### **A. BASIS OF PRESENTATION**

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, Loranger Fire is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

B. SUPPORT AND REVENUE

Support consists primarily of appropriations received from Rural Fire Protection District No. 2 from ad valorem taxes, state revenue sharing funds, and fire insurance rebate funds received by the District. Loranger Fire receives a percentage of the total funds available to Rural Fire Protection District No. 2 based on formula contained in a contract agreed to by all participating fire departments in Tangipahoa Parish.

C. DEPOSITS AND INVESTMENTS

Cash and cash equivalents include cash on hand, amounts in demand deposits, interest-bearing demand deposits, and time deposit accounts. Cash equivalents include amounts in time deposits and those investments with original maturities of 90 days or less. Under state law, Loranger Fire may deposit funds in demand deposits, interest-bearing demand deposits, or time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana.

Under state law, Loranger Fire may invest in United States bonds, treasury notes, or certificates. These are classified as investments if their original maturities exceed 90 days; however, if the original maturities are 90 days or less, they are classified as cash equivalents.

Loranger Fire had no investments at December 31, 2008.

D. ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

E. CONTRIBUTIONS

Loranger Fire has also adopted SFAS No. 116, "Accounting for Contributions Received and Contributions Made". Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions.

CAPITAL ASSETS

All capital assets used by Loranger Fire are owned by Rural Fire Protection District No. 2. Therefore, there are no capital assets reported in the accompanying financial statements. The equipment used by Loranger Fire has been purchased with funds received from Rural Fire Protection District No. 2.

RETURN OF APPROPRIATION FOR DEBT SERVICE

A. In 2003, Rural Fire Protection District No. 2 borrowed \$200,000 on Certificate of Indebtedness, Series 2003B to be used by Loranger Fire to construct a new fire station.

There were two certificates of indebtedness issued. Certificate No. R-1 is for \$170,000 between the Rural Fire Protection District No. 2 and Hancock Bank of Louisiana. Certificate No. R-2 is for \$30,000 between the Rural Fire Protection District No. 2 and the Louisiana Public Facilities Authority.

The certificates are secured by and payable solely from an irrevocable pledge and dedication of funds to be derived by the Rural Fire Protection District No. 2 from the levy and collection of a special 10 mills tax authorized to be levied in each of the years 2004 through 2013.

There is no contractual agreement that requires the Loranger Fire to repay this indebtedness to the Rural Fire Protection District No. 2. However, the Loranger Fire is expected to pay the annual debt service on these certificates of indebtedness from the annual appropriation to be received from Rural Fire Protection District No. 2.

At December 31, 2008, the balances owed by Rural Fire Protection District No. 2 on Certificates of Indebtedness, Series 2003B were as follows:

Totals	<u>\$126,000</u>	<u>\$19,000</u>	<u>\$107,000</u>

B. In 2007, Rural Fire Protection District No. 2 borrowed \$240,000 on Certificate of Indebtedness, Series 2007 to be used by Loranger Fire to purchase a new fire truck and consolidate debt.

There were two certificates of indebtedness issued. Certificate No. R-1 is for \$205,000 between Rural Fire Protection District No. 2 and Hancock Bank of Louisiana. Certificate No. R-2 is for \$35,000 between Rural Fire Protection District No. 2 and the Louisiana Public Facilities Authority.

The certificates are secured by and payable solely from an irrevocable pledge and dedication of funds to be derived by the Rural Fire Protection District No. 2 from the levy and collection of a special 10 mills tax authorized to be levied in each of the years 2004 through 2015.

There is no contractual agreement that requires the Loranger Fire to repay this indebtedness to the Rural Fire Protection District No. 2. However, the Loranger Fire is expected to pay the annual debt service on these certificates of indebtedness from the annual appropriation to be received from Rural Fire Protection District No. 2.

INDEPENDENT ACCOUNTANT'S REPORT  
ON APPLYING AGREED-UPON PROCEDURES

To the Members of the  
Loranger Volunteer Fire Department, Inc.  
Loranger, Louisiana

I have performed the procedures included in the Louisiana Governmental Audit Guide and enumerated below, which were agreed to by the management of Loranger Volunteer Fire Department, Inc. and the Legislative Auditor, State of Louisiana, solely to assist the users in evaluating management's assertions about Loranger Volunteer Fire Department's compliance with certain laws and regulations during the year ended December 31, 2008, included in the accompanying Louisiana Attestation Questionnaire and the additional agreed-upon procedures as required by the Legislative Auditor, State of Louisiana for the fiscal year ended December 31, 2008. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

*Federal, State, and Local Awards*

1. Determine the amount of federal, state, and local award expenditures for the fiscal year, by grant and grant year.

No federal award expenditures during fiscal year ended December 31, 2008.

State Award - a state grant of \$9,607 was received from the Louisiana Department of Agriculture and Forestry during the current fiscal year.

Local Award - Total appropriation from Tangipahoa Parish Rural Fire Protection District No. 2 for the fiscal year ending December 31, 2008, was as follows:

2. For each federal, state, and local award, randomly select 6 disbursements from each award administered during the period under examination, provided that no more than 30 disbursements are selected.

Six disbursements were selected for the local award and two disbursements were selected for the state award. There were only two disbursements for the state award.

3. For the items selected in procedure 2, trace the disbursements to supporting documentation as to proper amount and payee.

I examined supporting documentation for all selected disbursements and found that payment was for the proper amount and made to the correct payee.

4. For the items selected in procedure 2, determine if the disbursements were properly coded to the correct fund and general ledger account.

All the selected disbursements were properly coded to the correct fund and general ledger account.

5. For the items selected in procedure 2, determine whether the disbursements received approval from proper authorities.

All selected disbursements received approval from the proper authority.

6. For the items selected in procedure 2: For Federal awards, determine whether the disbursements complied with the applicable specific program compliance requirements summarized in *the Compliance Supplement* (or contained in the grant agreement, if the program is not included in the Compliance Supplement) and for state and local awards, determine whether the disbursements complied with the grant agreement.

For the State award, I determined that the two disbursements were expended for the purpose of purchasing equipment as required by the Volunteer Fire Assistance Hurricane Supplemental grant.

For the Local award, I determined that each of the six selected disbursements were expended for the purposes of operating, maintaining, and/or purchasing equipment and supplies, as required in the 2008 agreement with Tangipahoa Parish Rural Fire Protection District No. 2.

7. For the programs selected for testing in item (2) that had been closed out during the period under review, compare the close-out report, when required, with the entity's financial records to determine whether the amounts agree.

The amount reported in the close-out report (financial disbursement report) for the Volunteer Fire Assistance Hurricane Supplemental grant agreed with the entity's financial records.

Loranger Volunteer Fire Department, Inc.  
Independent Accountant's Report  
on Applying Agreed-Upon Procedures - concluded

*Meetings*

8. Examine evidence indicating that agendas for meetings recorded in the minute book were posted as an open meeting as required by LSA-RS 42:1 through 42:12 (the open meetings law).

Loranger Volunteer Fire Department, Inc. posted the required notice of each meeting and the accompanying agenda on the front and side doors of the Loranger Volunteer Fire Department's station at least twenty-four hours in advance of the meeting.

*Comprehensive Budget*

9. For all grants exceeding five thousand dollars, determine that each applicable federal, state, or local grantor agency was provided with a comprehensive budget of those grants that included the purpose and duration, and for state grants included specific goals and objectives and measures of performance.

Preparation of a comprehensive budget does not appear to be required in the agreement with Rural Fire Protection District No. 2, or the Volunteer Fire Assistance Hurricane Supplemental Grant from the Louisiana Department of Agriculture and Forestry.

*Prior Comments and Recommendations*

10. Review any prior-year suggestions, recommendations, and/or comments to determine the extent to which such matters have been resolved.

There were no prior Attestation Findings.

I was not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the use of management of Loranger Volunteer Fire Department, Inc. and the Legislative Auditor, State of Louisiana, and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. However, this report is a matter of public record and its distribution is not limited.
